

Our Origami Butterflies

We folded our paper to make a triangle.

We cut our paper to make a square.

We folded our paper to make a smaller triangle.

We opened our paper and folded it across to form the body.

We thought about the size it should be.

We folded the paper in to form wings.

It was tricky.

We asked our buddies for help.

We used pipe cleaners to make the antennae

Look at my butterfly!

Look at our butterflies!
